

## EBITCASH FINOTE

April 2024

This is complete and technical analysis of all financial activity which effect global and domestic stock market in month of April.

1.State-owned [Life Insurance Corporation of India](#) (LIC) said its [premium collection](#) in [April](#) was Rs 12,384 crore, the highest for the month since 2014. Quoting [Life Insurance Council](#)'s latest figures, the [insurance](#) behemoth said the total [premium](#) collected by [LIC](#) in April 2024 was Rs 12,383.64 crore -- 113.14 per cent higher than the Rs 5,810.10 crore premium collected the same month a year ago.

2.The inflows in equity mutual funds dropped by approximately 16% in April, shows data released by Amfi on Thursday. The inflows in April stood at Rs 18,917.09 crore as against Rs 22,633.15 crore in march.

3.Chinese exports returned to growth last month while imports smashed expectations, data showed Thursday, providing a much-needed boost to the country's leadership as it tries to steer the economy out of a long-running slump.

4.Around 54% [equity mutual funds](#) have managed to outperform their respective [benchmarks](#) in [April](#), an analysis of [performance](#) of [categories](#) showed. There were around 265 [schemes](#) in the market during the said period.

Out of 265 equity schemes, 143 schemes outperformed their benchmarks in April. We considered regular and growth options only.

5. The market regulator has proposed that the lot size for trading in privately placed infrastructure investment trusts (InvITs) be reduced to a fourth.

It has also proposed that the lot size for trading in privately-placed InvITS that invest largely in completed and revenue-generating assets to an eighth of what it is currently. These have been suggested to encourage more participation in this asset class.

In a draft circular issued for ease-of-doing business for InvITs and Real-estate Investment Trusts (REITs), the Securities and Exchange Board of India ([Sebi](#)) made some suggestions, particularly for InvITs.

Comments from the public have to be sent in by May 30.

6. The market regulator has proposed that investors' securities be directly to their demat account.

Through a draft circular dated May 9, the Securities and Exchange Board of India ([Sebi](#)) has suggested that this be made mandatory to ensure that the stock broker segregates securities of the client or clients so that they are not vulnerable to misuse.

This facility has been available on an optional basis since February 1, 2001. But the regulator has proposed making the direct payout of securities to the client account be made mandatory.

some interesting chart and data-

## Message for investors and partners

Dear

Partners/Investors/Learner

we all are working for Ebitcash & k from different geographical place but our vission is centre for a specific goal that is “**grow with growing economy**”.here is some development which were happen in past small frame of time.

1. Ebitcash & k now start ebitcash classes on online mode.
2. Our online presence through website,social media page is increasing day by day
3. capital allocation on different platform work properly,equity portfolio is most volatile due to election result but we are capable to manage these volatility.
4. all decision taken by sebi shows sebi wants to make a proper way of retail investing and trading this is good for us .
5. one thing i am trying to do that volatility harm us less,so we can work properly and in process way.

Thank you all for believe on EBITCASH
