september-october 2024

This is complete and technical analysis of all financial activity which effect global and domestic stock market in month of september-october.

1.October CPI number is going to be very high than September: RBI

Governor Das-

The Governor stated that the change in monetary policy stance in the October policy to 'neutral' from 'withdrawal of accommodation' should not be interpreted as a cut in the [repo rate](#) in the next policy, dampening hopes of the much-awaited reduction in the key policy rate. He was responding to a question that there has been some disconnect between the RBI's change in stance in the October 2024 policy and his subsequent statements in various speeches that there are "significant upside risks to [inflation](#)".

2.Sagility IPO: Listing date on November 12, issue booked 3.20x led by retail investors. Check GMP, subscription status-

Sagility IPO: Sagility India's [public issue](#) was oversubscribed 3.2 times on the final day. Retail investors lead the bidding round on the final bidding day of the public issue as the segment gets overbooked 4.07 times on Thursday, November 7.

Further, the Non-Institutional [Investors](#) (NIIs) oversubscribed to the public offer 1.92 times. NIIs placed their bids for 20.15 crore shares, compared to the 10.50 crore shares on offer. And Qualified Institutional Buyers ([QIBs](#)) followed the retail investor's lead as the segment was oversubscribed 3.52 times on the final day of bidding. QIBs have bid for 73.86 crore shares, while the offer was for 21 crore shares. Notably, the [Sagility India IPO](#) bidding started from November 5-7, the allotment was finalised on November 8, and the IPO will likely list on BSE, NSE on November 12, 2024.

3.New-Age Tech Stocks: Ola Electric crashes 12% to log steepest weekly drop with Q2 results, CarTrade Tech biggest gainer-

[New-age tech stocks](#) such as Delhivery, Ola Electric Mobility, and Brainbees

Solutions, among others, witnessed rapid changes in their respective stock prices in the last five days when [domestic equity benchmarks Sensex and Nifty 50](#) were in a consolidation phase amid global cues. This week, most new-age tech stocks registered losses and settled in red, while only a few outperformed the frontline benchmarks over robust buying interest.

Among the biggest trend makers, Bhavish Aggarwal-led electric two-wheeler maker [Ola Electric Mobility](#) snapped its earlier winning streak and emerged as the biggest loser in the pack. On the other hand, car dealer CarTrade Tech logged the biggest weekly gain, rising nearly 14 per cent in the last five days.

4.Penny stock below ₹1: This NBFC share may be in focus on Monday; here's why-

[Penny stock](#) Srestha Finvest is likely to draw investor attention on Monday,

November 11, after the company announced it held an extraordinary general meeting (EGM) on Friday, November 8, to approve a special resolution for raising capital through a QIP.

In an exchange filing post-market hours on November 8, the NBFC firm said that the EGM of its shareholders was held on November 8 at its registered office in Chennai.

At the EGM, special resolutions were presented to raise capital through a Qualified Institutions Placement (QIP) to eligible investors by issuing equity shares, issuing fully convertible equity warrants on a preferential basis, and approving an increase in the company's borrowing limits.

5.Nifty 50's 5% fall in Oct marks worst monthly show since COVID market crash. What's ailing D-Street bulls?

6.MRF Q2 Results: Consolidated net profit dips 19% to ₹470.70 crore

Tyre-maker MRF on Friday reported a 19 per cent on-year decline in consolidated net profit at ₹470.70 crore for the quarter ended September 30, 2024.

The company had reported a consolidated net profit of ₹586.60 crore in the second quarter of the previous fiscal year, according to a regulatory filing.

Consolidated revenue from operations for the September quarter rose 10 per cent to ₹6,881.09 crore, as compared to ₹6,217.10 crore in the corresponding quarter of FY 2023-24, the company said in the regulatory filing.

On a standalone basis, net profit declined 20 per cent to ₹455.43 crore during the quarter under review, from ₹571.93 crore delivered in the second quarter of FY24, as per the filing.

some interesting chart and data-

Message for investors and partners

Dear

Partners/Investors/Learner

we all are working for Ebitcash & k from different geographical place but our vision is centre for a specific goal that is “**grow with growing economy**”. here is some development which were happen in past small frame of time.

1. Ebitcash establish his first physical office at Nayatola RMK road Banka Bihar.
2. Our online presence through website, social media page is increasing day by day
3. Recent market crash help us to by value product at cheaper price .
4. we will plan our app presence as quick as possible .
5. one thing i am trying to do that volatility harm us less, so we can work properly and in process way.

Thank you all for believe on EBITCASH
